DISCOUNT POLICIES FOR STUDENTS IN THE CORNELL UNIVERSITY HOSPITAL FOR ANIMALS

Students and staff of the College of Veterinary Medicine are allowed certain discounts for services rendered by the CUHA. These discounts are limited to a maximum of three pets for each student. The animals must live with the student. The student discount policy permits waiving of all professional service fees levied by the CUHA up to a maximum of 20% of the total bill, excluding all Ambulatory visits, Diagnostic Laboratory, Pharmacy, and Clinical Pathology charges. Test fees incurred through the Diagnostic Laboratory and Clinical Pathology must be billed at full charge. Professional service fees include normal examination fees, daily professional service fees, surgery fee. Emergency fees are not part of the discount policy. The animals must be registered with CUHA business office. The registration form can be found at <http://www.vet.cornell.edu/hospital/UniversityDiscount.pdf>.

The hospital also offers a pet food purchase program. Various pet foods are available to students and staff of the College at a significant discount which is less than what one would pay for pet foods at a retail outlet. Students and staff are allowed to purchase a sufficient amount of pet food to feed three animals which may or may not be the same three that are registered for the patient discount policy of the hospital. Foods may be purchased only for personally owned animals.

If you have personally owned animals with you while you are a student at the College of Veterinary Medicine, you are welcome to take advantage of both the patient and the pet food programs of the CUHA. To participate in either program fill out the enclosed forms & return as directed.
