The renovation/construction project is moving along well. Phase one is complete. Punch list items, i.e. painting and clean-up, will continue for the next few weeks.

**Work in Process/Project Look Ahead**

- **Circulation Changes/Barriers**
  - Circulation barriers are up. If there are areas of confusion, please let us know and we will modify our circulation signage accordingly.
  - Reminder – if you would like to use the ECRF entrance, contact Tim Wakeman (trw23) for card access.
- **VRT**
  - Office moves will continue until June according to the surge plan. Details on the timeline are posted on the Capital Project website.
- **Construction**
  - Select demolition has begun in the old diagnostic lab, old library and CPC in preparation for asbestos abatement which will begin early February.
  - Major building demolition is targeted for March. Notification will be sent prior to this starting.
  - Construction for new library wing continues.

**Shutdowns**

- There are no scheduled shutdowns at this time. Separate notifications with details will be distributed when appropriate.

**REMINDER** – Please be cautious and aware of the construction going on around you – particularly in stairwells, corridors and exits. If you notice a safety hazard, please contact the Facilities Office.

**Questions or Concerns** - Please call the CVM Facilities Office @ (607) 253-4455 or (607) 253-3725 or e-mail cvmexpansion@cornell.edu or wad2@cornell.edu
