The renovation/construction project is moving along well. Phase one is complete. Punch list items, i.e. painting and clean-up, will continue as needed.

**Work in Process/Project Look Ahead**

- **Construction**
  - Select demolition and asbestos abatement has begun in the old diagnostic lab, old library, VEC and CPC. This process is noisy and disruptive.
  - Major building demolition is targeted for mid-April. Notification and details will be sent prior to this starting. This process will be noisy and disruptive for approximately 6-8 weeks.
  - Construction for new library wing continues.
  - The Gallery stairwell and 2nd floor hall will be completed April 11th. The existing barriers will be removed.
  - Demolition in the Clinical Programs Center (old Centennial Room and classroom) is scheduled to begin on April 12th. Expect minor circulation changes in the Gallery and CPC corridor. CPC 2nd and 3rd floor occupants will be impacted. Notification to affected parties will be distributed and shared through the Department Manager.
  - Excavation and demolition to support the installation of a new exit in the VEC behind Lecture Hall 3 (door 14) will begin on April 6th.

- **VRT**
  - Office moves will continue until June according to the surge plan. Details on the timeline are posted on the Capital Project website.
  - Radiation heat will be turned off on April 1st.
  - Floor tile abatement will begin the week of April 4th.
  - Exterior curtain wall demolition will begin on May 1st.

- **Circulation Changes/Barriers**
  - Reminder – If you would like you use the ECRF entrance after hours, contact Tim Wakeman (trw23) for card access.
Schurman Hall entrance (door 32 by new temporary library) new pedestrian pathway from Tower Rd. sidewalk through the Federal Nutrition Lab will be constructed by April 8th (weather pending).

**Shutdowns**

- There are no major scheduled shutdowns at this time. Separate notifications with details will be distributed when appropriate.
- VRT perimeter heat will shut-down beginning April 1st, weather pending.

**REMINDER** – Please be cautious and aware of the construction going on around you – particularly in stairwells, corridors and exits. If you notice a safety hazard, please contact the Facilities Office.

**Questions or Concerns** – Please call the CVM Facilities Office @ (607) 253-4455 or (607) 253-3725 or e-mail cvmexpansion@cornell.edu or wad2@cornell.edu.
