GRE's & MCAT's

Issue III (Fall 2015)

GRE's®

We will accept the new and old GRE scores (through the past 5 years). Scores must be sent directly from ETS- our College Code is 2549. To request your scores contact the Educational Testing Service at www.ets.org.

- ✚ Information about GRE scores can be found at <http://www.ets.org/gre/revised/general/scores/>

We update your Cornell Supplemental Application Tracking Page with your scores and the date you took the test as they are sent to us by ETS. Please review this information to make sure it is accurate.

MCAT®

We also accept MCAT scores as an option. If you took the MCAT's, contact the Association of American Medical Colleges (www.aamc.org) to have your scores sent to us at College Code 993.

We recommend you take the GRE's or MCAT's by early September at the latest to ensure the scores arrive in time for the Cornell Supplemental Deadline of September 30, 2015.

When emailing with questions or requests regarding your application please include your VMCAS ID
