Issue I (Fall 2015)

Transcripts to VMCAS

For every college you attended you will need to have the Registrar from those institutions send official transcripts directly to VMCAS **by September 15th**. They will be verifying all course work taken. This can take up to 4 weeks, so you are encouraged to have your transcripts sent to them as soon as possible. For more information please visit [VMCAS Transcript Verification](#).

We will verify your prerequisite courses and update your *Cornell supplemental Application Tracking Page* when VMCAS has made your application (and transcripts) available to us.

If you took a course at a college, please have the registrar send that transcript to VMCAS. The courses you took at other colleges may have transferred, but VMCAS will still need an official transcript from that institution. This includes courses taken in **high school** through a college, summer courses at another institution, etc. You may not have taken the course on that campus, but if you were awarded college credit then you have a transcript!

International credential reports should also be sent to VMCAS.
