**Marc Knobbe, DVM, (MPH '05)** is the Officer in charge of a rapidly deployable veterinary service unit ready to deploy worldwide in 72 hours. Army veterinary services covers a wide range of animal health, public health, and food safety and defense and Dr. Knobbe is currently on a humanitarian response mission.

Dr. Knobbe earned his DVM from Kansas State University in 2005.

## Kristen Obbink, DVM, (MPH '12)

coordinates activities for the FDA-funded Iowa Food Protection Rapid Response Team. She is a liaison to the public health department, food regulatory agency and department of agriculture during foodborne illness outbreaks. Kristen also participates in the epidemiological investigations of foodborne illnesses at the Iowa Department of Public Health.

Dr. Obbink earned her DVM from Iowa State University in 2011.
