NO PETS IN RESIDENCE HALLS
We are unable to accommodate pets, with exception of service/assistance dogs, in any residence hall or House. Please help your classmates understand this and have them make appropriate arrangements for their pet before heading to Ithaca.

RAM-TECH (BUILDING ENTRANCE) PHONES
These built-in phones at the entrances to most residence halls are operable by pushing the “on” button (bottom, left button). When you hear a dial tone, push in the 5-digit campus phone number (3-XXXX, or 5-XXXX) you want. These units can not be used for off-campus calls. When your party answers, speak into the slotted speaker area, located just below the push buttons. When you complete your call, push the “off” button (bottom, center button). For emergencies, push the bottom right (red) button to speed dial Cornell Police.
