

AQUAVET<sup>®</sup>

A Program in Aquatic Veterinary Medicine

[www.aquavet.info](http://www.aquavet.info)

40 YEARS ! 2016 is our 40th year of aquatic veterinary medicine education!

We are planning an anniversary dinner and conference in connection with the IAAAM conference in May 2016 in Virginia Beach.

The tentative plan is to have this just before IAAAM's conference.

IAAAM is planning for Sunday, May 22<sup>nd</sup> to Friday, May 27<sup>th</sup>. The icebreaker would be Saturday night, May 21<sup>st</sup>. Based on this we plan to have our conference Saturday, May 21<sup>st</sup> and the anniversary dinner on Friday night, May 20<sup>th</sup>. IAAAM will likely also have the wet labs after the conference this year, so you can do both things (AQUAVET<sup>®</sup> and IAAAM web labs). I need a tentative head count for planning for the dinner and conference.

I have been trying to put together a new master list of alumni and emails. Most of what I have is probably old and incorrect, so please put the word out to your friends who are AQUAVET<sup>®</sup> alumni!

Please like our Facebook page, where I can keep you up-to-date on this anniversary party. The official page is simply called "AquaVet" – since FB won't allow "AQUAVET<sup>®</sup>" – also note the "Aquavet Alumni" page is not an official page, but a closed, private page created by one of the classes in the past few years.

I hope to also have this information on our webpage, which is part of the Cornell site.  
[www.aquavet.info](http://www.aquavet.info)

So please:

1. send me your updated contact information – and at least email
2. tell me a likely yes or no for the 40<sup>th</sup> anniversary dinner and conference (May 20<sup>th</sup>/21<sup>st</sup>, 2016)
3. like and follow our Facebook page
4. follow our regular website

(send to: [aquavetmail@gmail.com](mailto:aquavetmail@gmail.com))

Thanks!
