

20 Top Things **FACULTY** Should Know About the Flower-Sprecher Veterinary Library

1. Hours

Open over 96 hours per week at: M-Th 7:30am-11pm, F 7:30am-8pm, Sa 10am-8pm, Su 10am-11pm. See *Hours and Maps* on *CU Library Home Page* for location of all campus libraries and hours.

2. Loan periods, online renewals, circulation problems

Borrow call # books for 6 months and bound journals/AVs for 3 days. Call 253-3510 or e-mail vetcirc@cornell.edu with questions or problems. Check "My Account" from *CU Library Home Page* to see items you have checked out and renew them online.

3. Reference—information—computer assistance— IACUC searches—in office research consultation

Ask for help at any time in-person, by phone 253-3510, or email to vetref@cornell.edu

4. Integrated Library Catalog & CU Library Home Page

This is your best source for finding and accessing the vast array of print and electronic materials held in all campus libraries at <http://catalog.library.cornell.edu> as well as most services from *CU Library Home Page* at <http://www.library.cornell.edu>. Get CULite, mobile device interface, at <http://www.library.cornell.edu/m>

5. E-journals, e-books, e-resources, etc.

Access tons of online e-journals, e-books, databases, and other digital materials both on and off campus via *CU Library Catalog* at <http://catalog.library.cornell.edu> or alphabetical list under "E-Journals Titles" or <http://erms.library.cornell.edu/>

6. Connecting from off campus

If problems connecting from home or off campus, check "Help" tab at top of *CU Library Home Page* or contact vetref@cornell.edu.

7. Document delivery, Annex requests & Interlibrary Loan for on and off campus items

Get PDFs and library-to-office delivery of materials held in Annex or other campus libraries and obtain items not in the Library Catalog (including items from Weill Cornell Med Library). See under *Requests/Borrowing & Delivery* on the *CU Library Home Page*.

8. Departmental satellite collections

Utilize clinical texts in 13 departmental satellite collections. Contact vetref@cornell.edu or check *Vet Library Home Page* for "mini-catalog" listings.

9. "House Calls" or office consultations

Contact vetref@cornell.edu to have a reference librarian come to your office or lab for help with searches, citations management, or other topics.

10. VIVO <http://vivo.cornell.edu>

A discovery tool for finding people, courses, seminars, core resources, etc. at Cornell from one site. (Over)

11. Public access computers, laptop loans, cameras

All 32 library desktop computers (2 Macs) are equipped with Cornell email plus word processing, presentation, spreadsheet & statistics (some) software. Borrow one of 128 laptop computers for 4-hour use in and outside library from the Circulation Desk. Two digital cameras can be borrowed for 3 days.

12. Scanners, color printers, poster printer/plotter

Specialized equipment for scanning documents and making pdfs. Fast, low cost plotters for printing poster-size sheets are available in Mann Library.

13. PubMed MEDLINE, CAB Abstracts, BIOSIS, etc.

Search PubMed MEDLINE, CAB Abstracts, BIOSIS, Web of Science, VetMed Resource, and many more online databases from *CU Library Home Page* at <http://www.library.cornell.edu>. Watch for "Get It! Cornell" links to full-text journal articles.

14. RefWorks / RefShare

A free, network-based citation management program helps you create a personal database of references and automatically formats bibliographies for manuscripts and theses. Get it under "Research/Citation Management" on *CU Library Home Page* or <http://refworks.cornell.edu>

15. Current Awareness & Journal TOC

See options for receiving electronic table-of-contents and other alerts under "Research/Current Awareness" on *CU Library Home Page*.

16. New books, current journal issues, DVDs, videos

Browse for new books and latest veterinary journal issues as received. Submit suggestions for purchases of new books, journals and other materials not held in campus libraries under "Requests" or <http://www.library.cornell.edu/request/purch>

17. CVM Faculty Publications Database

Access a list of College faculty publications back to 2000 from *Vet Library Home Page* at <http://www.vet.cornell.edu/library/>

18. Copyright help & consulting

Check <http://www.copyright.cornell.edu> for lots of copyright info, assistance, and contact sources or email copyright@cornell.edu

19. Digital publishing & scholarship services

Add electronic resources to Cornell's eCommons repository <http://ecommons.library.cornell.edu> via DCaps services at <http://dcaps.library.cornell.edu/> or Email to dcaps@cornell.edu

20. NIH repository & scholarly communications

Get info about NIH reporting requirements at <http://www.library.cornell.edu/scholarlycomm/nihmandate.html>
