

# Cornell University College of Veterinary Medicine Alumni Association Executive Board

*DVM degree from Cornell required*

At-Large Member Nomination form  
*Term begins July 1, 2025*

Under the governance of the Alumni Association Executive Board, the Alumni Association sponsors a variety of programs and services to promote the Veterinary College, its welfare and the interests of its alumni.

The Association shall advance the educational and charitable interests of the Cornell University College of Veterinary Medicine and shall promote the personal and professional development of its alumni and students.

All graduates receiving a DVM degree are members of the College's Alumni Association. The Alumni Association promotes engagement between alumni, students and the College through its activities, events, and programs. Funding for the Alumni Association is provided from the College of Veterinary Medicine's Annual Fund.
